What do you do at "Tender Memento"?

Tinker Bell: Woof.. Woff... (Translated to english- "I am just here to let people feel connected to life surrounding them. I let the patients to pat me. I play with them. I am their friend.)

What is the most memorable touchy feely day you had?

Tinker Bell: Woof.. Woff... (Translated to english- "I stayed with a woman who had a few hours to live. I layed beside her and she touched my face. She held her hands on my head and took her last breath. I felt her soul touching mine.)
